Goodbye Strand (novel) Goodbye Strand is a novel by the Australian author Bryce Courtenay. first published in 2003 and considered a "lyrical and tuneful epic" of pastoral Australia. It is set over one humid summer in a remote station in the outback of Western Australia. Goodbye Strand won the 2003 Miles Franklin Award for best novel. References External links Goodbye Strand at AustLit (subscription required) Category:2003 Australian novels Category:Miles Franklin Award-winning works Category:Novels set in Australia Category:Works by Bryce CourtenayThis invention relates to the field of pile drivers for driving piles into the ground and methods for driving piles into the ground. More particularly, this invention relates to a method and apparatus for driving piles that stores both energy and driving force for a pile driver. The use of the invention requires access to a pile shaft and a source of motive power. The pile driver of the invention is movable to a raised or recessed position in the pile shaft for inserting a pile with or without the weight of the pile driver to engage the pile and to drive the pile into the ground. The invention is intended for driving various types of piles into a wide variety of earth formations such as rock, clay edd6d56e20
