For more information, visit: This part of the video shows that the series that we talk about appears regularly in the schedule of the air. Gotham and Arrow appear every Tuesday and Wednesday from 8:00pm to 10:00pm ET/PT. Gotham is an American, television series, which is part of the Gotham franchise. From the network of the TV Batman, Batman: The Animated Series, it was created to be the first animated show, but it is in fact the third incarnation of the character, since he was first introduced as a comic book character. The first animated feature film was released in 2011 with Batman: Under the Red Hood, while the sequel, Batman: Year One, was released in 2012. Both were theatrical films, while the last, Batman: The Killing Joke, is an independent, which was released in 2016. The first appearance of the character on TV was a spin-off named Batman: The Animated Series (1994 - 1995), which was directed by Bruce Timm. After the success of the first incarnation of the character, there was the following series: Justice League, with a production in 2001. There was also a third TV series, Batman: Assault on Arkham, released in 2005, which was a theatrical film. In 2007, there was a series that continued the last episodes of Justice League. Also, there was a new series that appeared in 2011, which takes place after the events of Justice League. It is called The Batman. In the same year, the animated film Batman: Year One also appeared. In 2013, with the help of Warner Bros. Pictures, the world of the character on the big screen was again recreated. The first theatrical film was Batman V Superman: Dawn of Justice, which was received, with both critical and commercial success. It was followed by Batman vs. Teenage Mutant Ninja Turtles, 6d1f23a050
